

Biocide

grotan[®] OX is an innovative biocide that offers outstanding performance at low doses for greater cost-efficiency.

Benefits

- Long-lasting results
- Effective against bacteria, moulds and yeasts
- Fully soluble in oil and water
- No foam formation
- Anti-corrosive properties
- High stability at high and low temperatures
- Solvent-free
- Wide pH range tolerance

Physical and Chemical Properties

- Use temperature from -39°C (pour point) to up to +160°C
- pH-value: ~10 (1.5 g/l, 20°C)
- Shelf life: 3 years

Applications

- Recommended for upstream and midstream applications such as:

Drilling

Injection
Water /
EOR

Produced
Water

Crude Oil
Treatment

Terminal
Storage

Use biocides safely. Always read the label and product information before use
